## OUTSTANDING PRODUCT FEATURES & BENEFITS

- Quilted polyester insulation, liner and fleece wrist cuffs provide thermal protection
- GORE-TEX® insert keeps insulation dry, prevents heat loss and protects against sand, rain, snow and ice which increases the ability to operate for longer in harsh conditions
- Breathable GORE-TEX® insert allows perspiration to escape so hands stay, drier more comfortable and less susceptible to blistering
- Four way stretch nylon on back of hand and curved fingers improve dexterity and ergonomics
- Specially designed liner aids in shooting accuracy and safety along with overall dexterity for operating combat zone vehicles and equipment
- Goat-skin on palms and fingers provides protection from cuts and punctures—and durability to withstand heavy-duty activities
- GORE-TEX® insert adds penetration resistance to JP-8 and other petroleum, oils and lubricants (POLs), as well as DEET
