CFR-1™ Particulate Respirators

- Reusable face piece with easy to replace disposable filters
- A perfect compromise between comfort, protection and value
- Soft face piece seal
- Built-in exhalation valve
- Face piece design prevents filters from collapsing
- Adjustable harness
- Welding version features a stainless steel mesh cover to catch sparks and slag
- Both versions are shipped with N95 filters, but R95 replacement filters are available for environments where oil may be present
