Titan WebLine™

Temporary Horizontal Lifeline System Kits

Introducing lightweight, portable temporary horizontal web lifeline (HLL) systems for **one or two workers**. An in-line system shock absorber reduces forces while O-ring connections allow for ease of mobility. The systems install quickly and easily.

Features and Benefits:

- Easy to install lifeline
- Gold lifeline for greater visibility
- Kit configurations to accommodate 1 or 2 workers
- Lightweight and compact kit; easy to carry
- Web lifeline adjuster to accommodate required length
- Cross-arm anchorage straps for easy installation
- Connecting O-rings for greater mobility
- Shock absorber pack reduces fall arrest forces
- Designed so anchorage points only need to be rated for 5,000 lbs.
- Meets applicable OSHA, ANSI and CSA requirements
- Waterproof bucket for safe storage

Kits contain:

- Gold web lifeline
- Web lifeline adjuster
- Two heavy-duty cross-arm anchorage straps
- Shock absorber pack (*included in two worker kit, ONLY*)
- Connecting O-rings (*one O-ring included in single worker kits; two O-rings included in two worker kits*)
- Waterproof bucket

THLLW2/60FT
